

Governance report – September 2024

(Lulu Mall, Bangalore)

- Introduction

This report offers a comprehensive overview of the governance activities within our IT support department over the past month

Task 1: Renovation work of UG and FF going on

Cable laying work going on in UG Floor

All IT peripherals are made live temporarily during the renovation work

Task 2: QC Summary File

Requested Cash Office team for Cancellation of Gift Card which was activated in abort receipt.

QC difference reported which was cleared uploading new summary file to EDI.

QC validation is now taking through helpdesk.

Task 3: Extra Counters for Freedom Sale

Extra Counters (4 POS) installed in South Atrium during Onam Festival

Task 4: Quarterly Server Health Check Up completed

Server PM and POS PM completed as per schedule

IT

Task 5: Staff Training

Each Staffs are assigned with separate Task.

Ensuring that tasks are properly completed from staff side.

Weighing Scale Checking (Calibration, Head status) is done weekly on all Friday night after shop closing. Cleaning reports are being send without failure.

GOVERNANCE REPORT

September 2024

Summary

- 1. B2B Sales order not Generated**
- 2. price change not reflect in POS- 9240 Major Incidents**
- 3. Complaints and Helpdesk Management**
- 4. Major Incidents**

Action Taken: Issue solved by SAP SD team

4. Server shutdown -power source replacement

There is a scheduled power source replacement activity at Forum mall which is planned on September 25th night 11:30pm to 26th morning 7am. During this period, the power into Hyper will cut off. As discussed with mall Maintenance team they agreed to provide temporary power to hyper during this timing. As a precaution we have to shut down all our servers after EOD and it is intended to keep our servers shut until the activity is fully completed. **Ticket -51874**

- 5. Stamping completed of Avery Scales (C-Qtr.)**
- 6. Additional camera cable pulled.**
- 7. Additional 4 camera installed (3 pending).**
